Dear Community Member,

The Belmont-Redwood Shores School District, in collaboration with the City of Belmont, invites you a Community Open House where we will share proposed improvements to the intersection at Tahoe Drive and Ralston Avenue. Potential improvements are intended to ease traffic congestion during school drop-off and pick-up, improve pedestrian walkways, and enhance public safety through signalization, signage and expanded turning lanes. All community members, of all ages, are invited and encouraged to participate!

#### *About the Open House*

**What:** Learn about and provide feedback on potential improvements to the intersection at Tahoe Drive and Ralston Avenue and along Ralston Middle School.

**Where:** Ralston Middle School, Gymnasium  
2675 Ralston Ave, Belmont, CA 94002

**When:** Thursday, November 3, 6:00-8:00 pm

Open House participants will listen to a brief presentation covering the project history and purpose, timeline for completion, and currently identified issues with the Tahoe/Ralston intersection. Following the presentation, participants will be invited to visit several exhibit stations featuring options for improvements to turning lanes, traffic restrictions, grading, and more. Each interactive exhibit station will be staffed by a project team member and will be designed to collect feedback about the community's preferred outcome.

*You may attend at any time from 6:00-8:00 PM to participate, the presentation is optional and will begin at 6:15 PM.*

#### *About the Project*

This intersection improvement project will take place over four phases: (1) project kick-off, community input and draft plan, (2) draft plan refinement and engineering, (3) construction strategy and contractor selection and (4) construction. Improvements to the Tahoe/Ralston intersection are expected to be complete in Fall 2017.

For more information, please visit the [City's website](#) or the [District's website](#).

We look forward to seeing you on November 3<sup>rd</sup>!

Warm regards,

Michael Milliken, Ph.D.

Superintendent

Belmont-Redwood Shores School District
